It's hard to believe, but we're one month away from groundbreaking on our exciting new Lighthouse Learning Center for Children™! Miami Lions Continue Their Tradition as Founders

We are incredibly grateful to the Lions Club of Miami for continuing the tradition started in the early 1930s when they purchased Miami Lighthouse's first building -- a bungalow -- which housed Miami Lighthouse on this very site. Members of the Lions Club of Miami presented Miami Lighthouse President and CEO Virginia Jacko with a donation check towards the Center of Excellence Campaign to create our new facility: the Lighthouse Learning Center for Children™.

Miami Marlins Host "Touch Tour"

Our Transition students were in for quite the treat this month! Having experienced a "touch tour" at Marlins Stadium and having spent time with Marlins catcher J.T. Realmuto in the dugout before our hometeam took on the Atlanta Braves, the students had a fantastic time! Thank you to the Miami Marlins Foundation for partnering on such a wonderful and memorable experience!

Meet Our Vision Solutions Center Team

John Garcia, our Vision Solutions Center Manager, is a Licensed Dispensing Optician. On a daily basis, he presides over Miami Lighthouse's ultra-busy, on-site operation, so the arrival of Juan Carlos Artaza Roca as his full-time Assistant Manager has been warmly welcomed.

A graduate of Regis University in Denver, Colorado, with a degree in Economics and Finance, Juan Carlos, describes his role at the Vision Center as "trying to help fit products to the individual needs of our clients."

He is particularly excited about the potential for the new product ZoomMax. "It enlarges far better than older products, has a bigger screen and provides more contrast options," says Juan Carlos. "Our clients are finding it very helpful."

Our Vision Solutions Center is open from 8:00 a.m. to 4:30 p.m., Monday through Friday. To make an appointment with our consulting low vision optometrist for a low vision functional exam, call 786-362-7489.
